16

colorful tile designs by Michael Menchaca commemorating the people, culture and history of our community

3

restored bridges with ceramic artwork by Diana Kersey depicting the stories behind the street names

Events & Programming

all events and programs are free and open to the public

- **CreekFest** - An annual springtime community festival geared towards making sustainability fun, accessible, and engaging to build awareness and interest in environmental responsibility.
- **Illume: Making Spirits Bright** - An annual one-night event in December highlighting the food, dance, music, and art of our diverse and festive community.
- **Creekside Chats** - A series featuring interviews with artists, educators, engineers, and historians who have had a hand in creating San Pedro Creek Culture Park.
- **Community Drum Circle** - A quarterly series with David and Cameron Montalvo who teach the art of the djembe drum and guide participants through healing rhythms.
- **Fit & Flow** - A series featuring a wide variety of health and wellness activities for the mind, body, and spirit.
- **Get Creative** - A series featuring creative and cultural producers from San Antonio's vibrant arts community.
- **Yoga** - A partnership with Mobile Om and the San Antonio River Foundation to provide free yoga classes every Monday night.
